Minutes of Parish Council Meeting held in the village hall
Wednesday 8 July 2009

 Councillor Connors Councillor Cant
 Councillor Bosworth Councillor Hubbard

Also present: 4 villagers

1. Chairman's remarks

1.1 The Chairman opened the meeting and thanked those present for attending. Villagers spoke on the following during the public forum:

- a) Pandora Mawer, the Chairman of BLOT, updated the Council on the proposed windfarm at Palmer's Hollow in Bottesford. She stated that formal objections had been received by Melton Borough Council but no date had been set for the hearing, although it was anticipated that it would be before the end of August. Also, there had been an amendment to the plans as the applicants now wanted larger blades on the turbines. However, the planned route to take the turbines and blades to the site was not feasible due to their size, as they could not negotiate the roads safely.
- b) Pandora Mawer also asked about the tennis net on the MUGA. The net has been locked away over the winter months for safe keeping. Cllr Connors said that the net would be set up the following day.
- c) Theresa Tanner said that the Village Hall Management Committee felt that the village hall was in need of a hearing loop for the hard of hearing. It was suggested that enquiries were made to particular charities to see whether any grants were available.
- d) Pam Jackson, representing the WI, spoke about their 90th anniversary celebrations. The WI has planned to celebrate this achievement by holding an Afternoon Tea Party on the Green, on Monday August 31st (Bank Holiday Monday). There would be entertainment, afternoon tea and cakes and the unveiling of a new bench on the Green.

(After the meeting closed a number of Parish Councillors and Mrs Jackson went to the Green and agreed that the bench would be sited at the Red House end of the Green, on the right hand side away from the main road.)

sometime in August. It is hoped that the plan can eventually go on the website.
(Action point: MC)

9 Emergency Plan

- 9.1** The clerk reported that SKDC have issued information for parishes to draw up an Emergency Plan so that communities know the risks that realistically could affect their parish. For example, in the event of an emergency it is for villages to determine where to focus its efforts in the development of any contingency planning. Risk could include flooding, utilities failures (power, gas, water), severe weather (high winds, heavy snow, heatwave), disease outbreak etc.
- 9.2** The clerk has put together a format for a draft Emergency plan. The draft plan and guidance notes will go in the correspondence box. Councillors were asked to look at the plan and make suggestions and consider what needs to be included. **(Action point: Cllrs)**

- 10.1** The clerk reported, with regret, that the village caretaker wishes to resign her post at the end of August. The clerk will put posters around the village to advertise for someone new. **(Action point: clerk)**

11 Playing Field matters

- 11.1** Cllrs McKinlay and Connors reported that the Party in the Park had been very successful raising £1365. The evening had been enjoyed by everyone and the bands that played were very good. Sadly, in the early hours, after the event had finished, there was some vandalism at the field. Some equipment had been left at the field to be collected after daylight. Villagers who had equipment damaged overnight have been very understanding and no blame can be apportioned to the running of the event.
- 11.2** The Easter event had been successful raising £75 and the worm charming event in May had raised £45.
- 11.3** Thank you for all the hard work to those volunteers who cleared the bonfire site and generally tidy up the far end of the playing field. New hedging can be planted later on in the year. It is unclear who actually owns the bottom hedge of the field. The clerk will make enquiries with LCC. **(Action point: clerk)**
- 11.4** The clerk had emailed PE Hempstead & Sons to ask them for a quote for maintaining the MUGA. No reply had been received yet.
- 11.5** Last month, officials from the Big Lottery were in the area inspecting facilities which their funding had contributed towards. Although the Parish Council knew that a visit may have occurred officials ended up visiting elsewhere.
- 11.6** Gonerby Youth Football Club and the Fundraising committee had, over a couple of days, tidied and cleared out the portacabins. Thank you for their hard work.
